

KITCHEN'S LITTLE HELPERS

[ON THE JUICE]

Hammacher's commercial grade juicer extracts up to 84 oz. of fresh fruit juice per minute. Whether its whole oranges, grapefruit, or pomegranates, the entire juicing process is visible through the unit's transparent housing. www.hammacher.com

[A STEAMY DREAM]

Take the hassle out of cooking with Lékúé's 22-oz. platinum-silicone steam case and tray that promotes healthy steam cooking and saves all the nutrients, too. www.surlatable.com

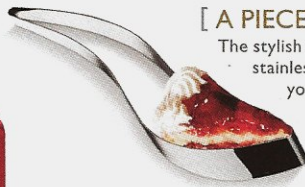

[CHOP SUEY]

Pull out and flip around the Compact Chopstick, and it easily fits into the stainless steel handle to form a full length pair. They collapse into themselves to provide a sustainable, easy to carry solution. <http://theintegrald.com>

[A PIECE OF CAKE]

The stylish design of Magisso's mirrored stainless-steel cake server allows you to do the cutting and serving in one simple step. www.finnstyle.com

[MINCE MAKER]

Chef'n Garlic Machine makes it easy to store fresh garlic without transferring odor to your hands. Simply insert seven peeled garlic cloves and twist the handle to mince garlic. www.surlatable.com

[FIZZ ON THE FLY]

SodaStream's Source brings you within a button-press of healthier soda. Powered by a refillable CO2 canister, Source's touch system allows you to create three levels of fizziness, clearly visible on an LED display, while a snap-lock mechanism makes the system simple and easy to use. www.sodastreamusa.com

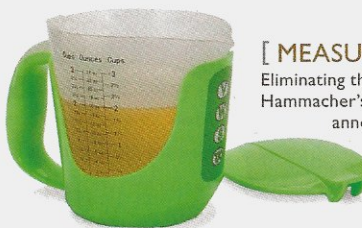

[RICE N' ROLL]

Sushi Quik is a sushi roller that makes it easy to make all types of sushi at home. The kit includes a tray frame, non-stick paddle, two end caps that double as sauce holders, and roll cutter. www.sushiquik.com

[MEASURED WORDS]

Eliminating the need for cooks to estimate by eye, Hammacher's Talking Measuring Cup verbally announces the volume of wet or dry ingredients. Chefs can add multiple ingredients without emptying the three-cup capacity unit. www.hammacher.com
